Education

CHARUSAT (Charotar University of Science and Technology)

Jul 2023 – Jul 2027

Bachelor of Technology – Information Technology

CGPA: 8.64/10

Experience

C++ Developer

Jan 2025

TechnoHacks EduTech Official

- Developed efficient C++ solutions for projects and problem statements.
- Applied DSA knowledge for performance-oriented programming.

ML Intern

May 2025

Cognifyz Technologies

- Gained hands-on exposure to Machine Learning concepts and model implementation.
- Worked on supervised and unsupervised learning techniques.

Hackathons

Smart India Hackathon (SIH) – Participant

2024

- Contributed to solving national-level problem statements in a team.

Nirma MINeD 2025 – Participant

2025

- Collaborated in a competitive hackathon to solve real-world challenges.

Skills

Programming Languages: C, C++, Python, Java

Web Development: HTML5, CSS, Front-End Development

Core Concepts: Data Structures & Algorithms, OOP

Tools & Platforms: Git, VS Code

Certifications

- Problem Solving (Advanced) - GeeksForGeeks
- Java (Intermediate) – HackerRank
- Python (Intermediate) – HackerRank

Achievements

- Achieved 1578 rating on LeetCode.
- Solved 400+ problems and earned 10+ badges on LeetCode.
- Solved 300+ problems on GeeksforGeeks.
